The apartment village is called the [redacted]
[redacted] looks like they are a 3 bedroom 1
bath apartment complex charging about
\$308 a month. I do enjoy this review from a
resident there. While it may be 4 years old, it
certainly seems to have held true through
today

"There are as with any other apartment
complex fights. But the drugs and the hiding
out of known criminals and management
not helping is just awful. It is good if you
remember to stay to yourself and leave the
riff raff alone."
